## **Introduction about organization:**

Qmark International Certifications Private Limited is a prominent Regional Council approved by NCONF under PAN India Jurisdiction. The organization has been incorporated with the objective of implementing state-of-the-art to promote Organic farming system. Qmark believe that, Indian Agriculture played a major role in the global market. India has the ability to create new avenues to market the produce not only in the domestic market but also in the international market and can create sustainable wealth within the farm sector, strengthening the backbone of the farming industry and increasing the State's Per capita Income. The change that is required can be accomplished through hands on support, education and complaint electronic systems provided by the QIC team of dedicated professionals. Our mission at QIC is to work with best of its experienced professionals and proven technologies "to deliver this vision and change Indian Agriculture to establish a fruitful and working partnership between all parties"

The company is working in the field of Organic farming and PGS certifications program. The Head Office is located in Guwahati, Assam currently the organization isactively working under various State/Central Govt. projects in 7 states including Assam, Madhya Pradesh, Bihar, Uttar Pradesh, Odisha, Jharkhand and Maharashtra with a base of more than 75,000 plus farmers and approximately 4000 Local Groups. Our primary objective is to promote excellence and ensure compliance with national & international quality standards across the organic agriculture industry.

#### 1. PGS certification progress:

				Year: 2	2022-23

#### 12. **Success Stories of farmers: As per format**– Attached as Annexure D

- 13. **Future plans and Goals:**As a Regional Council under PGS India, our future plans and goals revolve around promoting and strengthening organic farming practices and the organic certification system.
  - A. Expand operations in other states and regions for both individual farmer certification and Govt. schemes through conducting awareness campaigns, training programs, and workshops to educate farmers about the benefits and process of PGS certification.
  - B. Continuous Improvement: continuously improving the PGS certification process and ensuring its credibility and integrity by conducting regular internal reviews, incorporating feedback from stakeholders, and aligning our practices with evolving national and international organic standards.
  - C. Research and Development: promote research and development in organic farming practices and organic certification by collaborating with research institutions, universities, and experts to generate knowledge, innovate sustainable farming techniques, and contribute to the growth of the organic sector.
  - D. Capacity Building: enhance the capacity of farmers and certification practitioners by organizing training sessions and providing technical guidance on organic farming practices, certification requirements, and quality assurance.
  - E. Strengthen Farmer Networks: establish and strengthen networks among organic farmers and farmer groups in our region. These networks will serve as platforms for knowledge sharing, exchange of best practices, and collaborative initiatives to collectively address challenges and support each other in organic farming.
  - F. Facilitate Market Linkages: facilitate market linkages for PGS-certified farmers by collaborating with local and regional market channels, retailers, and consumers who value organic produce to create sustainable market opportunities for farmers to ensure a fair and remunerative price for their organic products.
  - G. Policy Advocacy: As a Regional Council, actively engage in policy advocacy to create an enabling environment for organic farming and the PGS certification system in collaboration with relevant government agencies, policymakers, and

other stakeholders to influence policies that support organic agriculture and ensure the recognition and acceptance of PGS certification at the regional and national levels.

H. Willing to take up accreditation from APEDA for NPOP standards.

# 14. Financial support obtained from State and Central government and Fees collected from non-scheme farmers

				Year 20	22-23		
Sl No.	Name of States	Total Financial support received	For handling total farmers	For handling total Area	Total number of non- Scheme farmers	Fees / ha charged	Total Fees collected (in Rs.)
1	Assam	839920	21024	8683.57	0	100/ha	839920
2	Madhya Pradesh	970200	38473	25745.59	0	40/ha	970200
3	Uttar Pradesh	0	3092	3665	0	0	0
4	Jharkhand	0	8139	4243.01	0	0	0
5	Odisha	0	100	100	0	0	0
6	Bihar	1027679	6893	3169.77	0	300/ha	1027679
	Total	2837799	77721	45606.94	0		2837799

## 15. Suggestions for improvements PGS certification:

Sl. No.	Condition/Case	Scope for improvement
i.	In the case of death of registered farmers under	Concerned Regional Council may be allowed for updating or removal of such farmers after
	PGS Portal.	validation of records through Local
		Group/Cluster.
ii.	In the case of farmer not interested to continue	i.) Local Groups/ Service providers may submit the case related to unwillingness of farmers to
	Organic farming and PGS	concerned Regional Council.
	Certification.	ii.) Regional council after undertaking necessary monitoring visit and clear observations will
		submit the case to concerned Zonal council.
		iii.) Zonal Council on recommendation of
		Regional Council may be allowed for removing registered farmer data from PGS Portal.
iii.	In the case of sale of	i.) Local Groups/Clusters/Service provider may
	registered farm/land	submit the case to concerned Regional Council.

under PGS Certification.	ii.) A consent letter regarding willingness to
	continue/discontinue under PGS Certification
	has to be obtained from new landowner.
	iii.) Regional council after verification may be
	allowed to change or remove farmer(s) data from
	PGS Portal.

## 16. Number of training and meeting conducted (Enclose a few pictures):

No. of trainings conducted	48	Photographs attached as Annexure E-1
No. of meetings conducted	63	Photographs attached as Annexure E-2

## 17. Number books and pamphlets and other activities (Enclose formats):

No. of Books	Photographs enclosed as Annexure F1
No. of Pamphlets	Photographs enclosed as Annexure F2
No. of leaflets	Photographs enclosed as Annexure F3
No. of Flyers	Photographs enclosed as Annexure F4

# 18. Finance audit reports of the year may enclose with reports (RC/organization input): Attached in Annexure

### Organic cluster development program with PGS Certification under National Rural Economic Transformation Project

#### **About the Project:**

The Ministry of Rural Development (MORD) has initiated National Rural Economic Transformation project (NRETP) with an aim to promote sustainable farming practices through cluster approach in the farm and nonfarm sector. The key focus of the project is to transform the economic participation of institutional groups by enabling them to engage in farm and non-farm activities. Organic cluster development with PGS certification is the major component of the scheme with an objective to promote Organic farming and upscaling of PGS certified Agri. produce.

**Approach & Methodology of Implementation:** In order to make community driven development approach, State Rural Livelihood Missions (SRLMs) has deputed

Krishi Sakhi at grass root level. Krishi Sakhi is a Community Agriculture Care Service Provider (CASP) which will enable the last mile coverage in rural areas where farm-based services for agriculture activities is not available on time or expensive to afford for rural poor women. Krishi Sakhi is envisaged to create awareness and capacity building of Mahila Kisan on agricultural activities and facilitates aggregation and marketing of the agricultural produced for

sustainable agriculture-based livelihoods at SHGs/household level, these Krishi Sakhi's are providing the basic technical support to the rural farmers especially mahila kisan. Krishi Sakhis has been trained and developed through structured training programmes by the agriculture experts organized by State Rural Livelihood Mission and various technical support agencies. These Krishi Shaki's will ensure agriculture-based livelihoods sustainable and viable enterprises for the poor farmers/mahila kisan and strengthening the alternate livelihoods opportunities.

## Details of Farmers registered under NRLM Organic cluster development scheme:

(As on 31st Mar. 2023)

Sr. No.	State	No. of Active Local Groups	No. of registered Farmers	Organic Area (ha)	Major crops
1	Assam	696	20998	10935.36	Paddy, Mustard, Black gram, Pineapple, Turmeric, Ginger, Potato, Pineapple
2	Bihar	174	6893	3169.77	Paddy, Maize and other Vegetables
3	Jharkhand	314	8139	1642.63	Paddy, wheat and other Vegetable
4	Madhya Pradesh	2529	38586	17919.88	Paddy, Maize, Wheat, Gram, Soyabean, Mustard, Green Chilly etc.
	Total	3713	74616	33667.64	

#### Impact of the program:

Since past two years the project has been under implementation in all the States. The clusters were formed in two phases. 15 to 25 farmers have been covered under one local group. Krishi sakhi's has played a vital role in successful implementation

of Organic cluster development program as the group of farmers are easily motivated to take up Organic farming. The Krishi Sakhi's has been placed and given detailed training and exposure on using traditional resources for sustainable farming practices and preparation of

On-farm inputs such as Jeevamrit, beejhamrit, Vermi wash, use of waste decomposer and other locally available bio inputs. The honorarium of Rs. 2 to 3 /-per activity (for promotion of Organic farming) & Rs. 100 to 150/- for providing cluster level training has been provided to each Krishi Sakhi by which Krishi's may earn Rs. 800 to 900/- per month. Jharkhand Rural Livelihood Mission has created a Mobile app under which each Krishi sakhi has entered their day to day activities along with Geotagged photos with the help of the mobile app the activities of each Krishi sakhi's has been recorded and honorarium will be paid accordingly.

#### **Future Interventions:**

- The farmers will be linked with suitable buyers for contract farming after getting PGS Organic certificates or from 3<sup>rd</sup> year onwards through organizing meetings.
- Identification has been done for various commodities and planned as per the
  market requirements. Agriculture products from production in the field to
  final consumption, where at each stage value is added to the product which
  includes Input supply, then production then collection, then processing and
  then retailing.
- In order to enhance competitiveness and increase the advantage of emerging market opportunities for the registered farmers under the program, Farmers Producer Organizations (OFPOs) will be promoted with the convergence of Central Sector Scheme or through other funding agencies such as NABARD, SFAC, NEAMAC etc. These FPO will provide wide range of services to PGS certifies Local groups including technical assistance, marketing. processing as well as other facets of crop inputs.

#### **SUCCESS STORY**

Name of farmer/
Group leader:

Rekha Buragohain

Father's name:

Late. Sundor Gogoi

Date of birth:

15/4/1974

Postal Address

(Village, Block, District, State): village- Haahkhati baligaon (3 no. kachari maithong), Block- Kakopathar, District- Tinsukia, State- Assam

E-mail:

Mobile no.:

9954230282

S.No	Particulars	Details
1.	Name of LG and LG number	Sammanay 10 PGS local group
2.	Name of RC with whom LG is registered	QMARK INTERNATIONAL CERTIFICATION PRIVATE LIMITED
3.	Area covered by the farmer and crop details	15 bigha area ( 5 acre) (crops grown: Paddy, vegetables, strawberry etc)
4.	Integration of animal and livestock status	5 cows, 10 goats
	Adopted Agricultural Systems (Vegetables, Cereals, Pulses, production/Fish/Mushroom/Bee/Others)	The farmer adopt 9 bigha area under vegetables and pulses, 6 bigha area under paddy, half bigha fishery, 1 bee box in farm She also cultivate strawberry and dragon fruits provided by Agriculture department
5.	Season & Year of starting organic farming	Both kharif and rabi season, followed organic farming from last 4 years
6.	Organic inputs prepared on farm (recommendations, application/frequency and applicable per acre dose)	Abstract of the preparation and application of the procedure  1. Vermicompost preparation: The farmer has adopted own vermicompost bed. She used cowdung, Banana pseudostem, water hyacinth as the raw material. At the base she kept 1 inch of dried sand, bove which a layer of cowdung was given and above that banana pseudostem, Similarly alternate layers of cowdung, water hyacinth and banana pseudostem was given untill it reached the top of the bag then it wa kept for 1 week and then earthworms were released and was covered with sack. The location were vermicompost unit was installed shady and covered. With roof and she uses the prepared vermicompost in her field and also the vermiwash is also collected for application.  2. Animal manure: Cow dung from the on farm produced is applied in the field
7.	Off farm organic inputs usage, If any and	Abstract thereof and its application details
	(Recommendations,	1.

	11 (0	
	application/frequency and doses per acre applied)	2. 3.
8.	Registration status under PGS India web	1. Non-Scheme

		<b>6.</b> NRLM (Applicable) Mention which is applicable as above
		Current status :Under NRLM PGS India Green / PGS India Organic : PGS Green
	Third party registration (Registration number)	Cluster /Individual: cluster
7.	Special Achievements with regard to organic production	District award for organic production. Rekha buragohain a hardworking farmer does farming organically from a long period of time and is selling vegetables in bulk and gets a good price in the daily market, She was recognized for cultivating strawberry, dragon fruit and vegetables organically. She sells lots of vegetables in the daily market and earn a handsome income. She loves exploring new ways of cultivation like using liquid manure, mulching, trap crops like marigold in cabbage etc. She is the one who has established her own vermicompost unit in her home. She is the active one and attend all kinds of trainings even outside the district. She was the one who was choosen to attend the training on organic farming at Guwahati. She was thus able to earn the district award along with her husband for organic production
8.	Special cultural practices adopted by	Mulching with rice straw and white polythene,
0	farmer& its impact on production	application of wood ash No
9.	Name of FPO/FPC if any with registration date details	INO
10.	Status of marketing	<ol> <li>Local Marketing: direct purchase from farm/weekly supply/door to door / advance booking etc</li> <li>Tie up with FPOs: No</li> <li>Buyers for marketing details: Local Buyer</li> <li>Processing /packing if any with details: Locally Pack</li> <li>Brand building: No</li> <li>Javikkheti marketing</li> <li>Mention which is applicable as above</li> <li>Local marketing: weekly supply</li> </ol>
7.	Is the product sold in domestic market or	Sold in domestic market
	exported? If exported: Mention the country name and year of export Revenue generated by selling certified product	
8.	FSSAI license process or not	No
9.	Details of increase in production or productivity per hectare or acre	Crop/ commodity wise They get handsome income from paddy cultivation as well as from fishery
10.	Organic carbon status	Initial (year 20) organic carbon status%
		Present (year 20) organic carbon status%
11.	Details on Residue test reports, if any	Present (year 20) organic carbon status%  None
11. 12.	Details on Residue test reports, if any Details on Soil health status, if any Details on Non Compliance, if any	<u> </u>

14.	Awards , Recognition if any	District award for organic production
15.	Any Other information

3.	Area covered by the farmer and crop details	0.1 Hectare
4.	Integration of animal and livestock status	Cattle & Goat
	Adopted Agricultural Systems (Vegetables, Cereals, Pulses, production/Fish/Mushroom/Bee/Others)	Vegetables and Apple Ber
5.	Season & Year of starting organic farming	2021 Kharif
6.	Organic inputs prepared on farm (recommendations, application/frequency	Abstract of the preparation and application of the procedure
	and applicable per acre dose)	A.Vermicompost
		1. A piece of land should be selected. The space should be shady.
		2. A Thermocol Bucket should be taken and a hose
		should be connected to the corner so that we can collect the Vermiwash.
		3. 2 inches. Add a layer of sand.
		4. 2 inches. a layer of dry manure
		5. 2 inches. Household waste should be given.
		6. 2 inches. Top layer of soil should be applied
		7. This should be repeated until the tank is filled to a
		depth of 10 cm. remains.
		8. About 20-25 spiders found on palm trees or some
		scientifically recognized spiders should be released.
		Cover the tank with cotton sack. Then wait 40 to 50
		days and then the manure is ready to be used.

		B.Raised Bed.
		1. Take a drum filled with 20 liters of water.
		2. A handful of cow manure should be given.
		3. Apply a handful of topsoil.
		4. Add 1 liter of rice milk.
		5. Add a handful of fly half-red soil.
		<ul><li>6. Add a handful of foot-ash.</li><li>7. After all is added, turn clockwise and</li></ul>
		counterclockwise for about 20 minutes.
		C.Liquid Organic Manure
		1. Take a drum filled with 20 liters of water.
		2. A handful of cow manure should be given.
		<ul><li>3. Apply a handful of topsoil</li><li>4. Add 1 liter of rice milk.</li></ul>
		5. Add a handful of fly half-red soil.
		6. Add a handful of foot-ash.
		7. After all is added, turn clockwise and
		counterclockwise for about 20 minutes.
		D.Zero Tillage Bed.
		1. 6 inches of dry leaf layer.
		2. Apply an 8 inch topsoil layer or cassava manure or
		dry layer on top of the dry leaf layer.
		3. Then add another 6 inches of dry leaves.
		4.Apply a top layer of 4 inches of soil on top of the dry
		leaves 81
		5. Plant the world crop seedling in the middle of the
		prepared bed.
		E.Cow dung
7.	Off farm organic inputs usage, If any and	Abstract thereof and its application details (No off

Adopted Agricultural Systems	Cereals - Paddy
(Vegetables, Cereals, Pulses, production/Fish/Mushroom/Bee/Others)	Vegetables like Potato, Brinjal, Cabbage, Long bean, Bottle gourd
Season & Year of starting organic farming	Practicing organic farming in both kharif and rabi season since 2020
Organic inputs prepared on farm (recommendations,	Abstract of the preparation and application of the procedure
application/frequency and applicable per acre dose)	1. <u>Liquid organic fertilizer Vermiwash :</u>
	Mix 1 litre of vermiwash or half litre of vermiwash with half litre of cow urine along with 15 litre of water and then spray 3 or 4 times at 20-25 days interval on the crop
	It contains soluble nitrogen,phosphorusand potash as the main nutrients which enhance plant growth and increase crops production
	2. <u>Vermicompost :</u>
	Vermi-bag, earthworm, biodegradable waste, sand, soil, dry straw and leaves, cowdung, water.
	A vermibag is placed in a cool place. Add a layer of 2-3 inch of soil or sand and neem leaves at the bottom of the tank.

	Prepare fine bedding by adding decomposed cowdung, dry leaves and other biodegradable wastes collected from fields and kitchen. Distribute them evenly or the sand layer. Continue adding both the chopped biodegradable wastes and partially decomposed cowdung layer wise into the tank upto the depth 0.5-1ft. After this we can release the earthworm species over the mixture and cover the mixture with dry straw.  Sprinkle water on daily basis to maintain moisture content of the compost. Protect the compost from rainwater and direct sunlight.
	Vermicompost can be harvested after 40-45 days.  3. Cowdung:
	Well decomposed cowdung 13-15 quintal per bigha being used in the field
	4. Organic Pesticide :
	Mix 1 litre organic pesticide with 20 litre water and spray on crop at 10-15 days interval.
Off farm organic inputs usage, If any and	Abstract thereof and its application details

#### INDEPENDENT AUDITOR'S REPORT

#### To the Members of QMARK INTERNATIONAL CERTIFICATIONS PRIVATE LIMITED

#### **Report on the Financial Statements**

#### Opinion

We have audited the standalone financial statements of **QMARK INTERNATIONAL CERTIFICATIONS PRIVATE LIMITED** ("the Company"), which comprise the balance sheet as at 31st March 2022, the statement of Profit and Loss, Cash flow statement, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its statement of profit & loss for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

#### Responsibilities of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or provide a complete companies and complete free from material misstatement, whether due to fraud or provide a complete companies and complete free from material misstatement, whether due to fraud or provide a complete companies and complete free from material misstatement, whether due to fraud or provide free from fraud or provide free from material misstatement.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
  or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
  sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
  misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
  collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure antB6ontent of the financial statements, including the
  disclosures, and whether the financial statements represent the underlying transactions and events in a
  manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, in our opinion and according to the information and explanation given to us, the said order is not applicable to the Company.

- 2 As required by Section 143(3) of the Act, we report that:
  - We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
  - (c) The Balance Sheet and the Statement of Profit and Loss, dealt with by this Report are in agreement with the books of account.
  - In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - (f) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
  - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - The company has no pending litigations which may have a material impact on financial position of the company;
    - II. The company is not having any material Long Term contracts which may require the company to make provision for the foreseeable Losses.
  - III. There has not been any amount required to be transferred to the Investor Education and Protection Fund by the Company.

CIN - U74999AS2019PTC019127

#### SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS

#### COMPANY OVERVIEW

QMARK INTERNATIONAL CERTIFICATIONS PRIVATE LIMITED was incorporated on 29th March 2019, and the business of the Company is quality certifications in various parameters of products and services .

#### 1 SIGNIFICANT ACCOUNTING POLICIES

#### 1.1 BASIS OF ACCOUNTING:-

These financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) including the Accounting Standards notified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013.

The financial statements have been prepared under the historical cost convention on accrual basis.

#### 1.2 USE OF ESTIMATE

The preparation of financial statements in conformity with indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

#### 1.3 RECOGNITION OF REVENUE & EXPENDITURE

Expenses and Income considered payable and receivable respectively are accounted for on accrual basis. Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

#### **1.4 TAXES ON INCOME**

-Income tax is accounted for in accordance with Accounting Standard (AS)-22 issued by ICAI. It comprises both Current Tax and Deferred Tax.

-Current Tax is measured as the amount which is payable on the taxable income for the year calculated in terms of provisions contained in the Income Tax Act at the rate prescribed there under.

-the tax effect of the timing difference that results between taxable Income and accounting Income and are capable of reversal in one or more subsequent periods are recorded as deferred tax asset or deferred tax liability. Deferred tax assets and liabilities are recognized for future tax consequence attributable to timing difference. They are measured using the substantive enacted tax rates and tax regulations.

# 1.5 PROPERTY, PLANT & EQUIPMENT

Property, Plant & Equipment including intangible assets are stated at their original cost of acquisition including taxes, freight and other incidental expenses related to acquisition and installation of the concerned assets less depreciation till date.

Company has adopted cost model for all class of items of Property Plant and Equipment.

#### 1.6 IMPAIRMENT OF ASSETS

The Company identifies impairable fixed assets based on cash generating unit concept at the year end in accordance with AS-28 issued by ICAI for the purpose of arriving at impairment loss thereon, if any, being the difference between the book value and recoverable value of relevant assets. Impairment loss when crystallizes is

#### 1.7 DEPRECIATION AND AMORTIZATION

#### **1.8 EARNINGS PER SHARE**

-The company reports basic and diluted Earning per share (EPS) in accordance with Accounting Standard (AS)-20 on "Earning per Share". Basic EPS is computed by dividing the net profit or loss for the year by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by dividing the net profit or loss for the year by the weighted average number of equity shares outstanding during the year as adjusted for the effects of dilutive potential equity shares except where the results are anti-dilutive.

#### 1.9 PROVISIONS AND CONTINGENT LIABILITIES

A provision is recognized if, as a result of a post event, the Company has a present legal obligation that can be estimated reliably, and it probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a discloser is made as contingent liability. A disclosure for a contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

#### 1.10 CASH & CASH EQUIVQUENTS

Place: Delhi Date: 22/08/2022

Cash & cash equivalents comprise cash and cash on deposit with banks and corporations. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to know amounts of cash to be cash equivalents.

Except wherever stated, accounting policies are consistent with the generally accepted accounting principles and have been consistently applied.
